

Electronic Payment Notification

As part of the NexUS Program, your Provider Incentive Payment will be paid electronically to be directly deposited into a bank account via Electronic Funds Transfer (EFT). This provides a secure ePayment process to accelerate and add efficiency to your Provider Incentive Payment through Zelis Payments.

As a member of Zelis ePayments, your office will have access to Zelis ePayments QuickPay system, as well as secure online access to their Provider Web Portal, for the delivery of EOP images and data via EDI 835 format. You also can use one of the many clearing houses Zelis Payments is partnered with in order to obtain 835 EDI files.

Registering for Zelis ePayments:

After completing the *enclosed form* (Provider Profile Requirements), you will be contacted by a Zelis Payments Payer Service Representative with the applicable registration instructions that will aid you with enrollment. Please allow 5 business days to be contacted by Zelis Payments. Please note that during the registration process, you will be required to verify information provided on the enclosed form. Please return the enclosed forms via email to NexUS@ProviDRsCare.net or fax at (316) 683-6255.

In addition, you will be asked to provide the bank routing and account details for which Provider Incentive Payments are to be deposited. Upon completion of the registration process and acceptance of the user agreement, your bank account will undergo a pre-noting process to validate the account information prior to commencing the EFT payment process.

It is important to note that Provider Incentive Payments will be issued by Zelis Payments on behalf of the NexUS Program at no cost to your organization. If you are currently enrolled with Zelis Payments and are receiving other payments from other payers, you will continue to receive those payments via the same methods that you do today and the applicable fees will still apply.

If you have questions or require assistance with the registration process, please contact the Zelis Payments Member Services Team at **(877) 828-8770**. Please be sure to reference the registration code that will be provided to you so we can assist with locating your DirectZero account. If you have questions about the overall NexUS program, please contact Provider Relations at (800) 801-9772 option 2.
