

1

There are several links you can use to navigate to our online directory.

2

Once you've select once of the links above, you will then be directed to this landing page where you will select "Find A Doctor" once more.

ProviDRs Care Provider Directory

Step 1: Enter Your Group Number

Group Number :

A group number or policy number is required before using this search engine in order to verify your membership status.

This number can be found on your medical I.D. Card.

Submit

3

If you don't know your group number, or have trouble logging in, please contact ProviDRs Care Customer Service (800) 801-9772.

You will then enter your group number that can be found on your medical ID card. If you are a NexUS member and you do not know your group number use "NEXUS". If you are a Non NexUS member and you do not know your group number, use "PCN".

ProviDRs Care Provider Directory

PCN	Log Out	Main Menu	Current Network : ProviDRs Care Network
Provider Name Search	Facility/Hospital Name Search	Provider Radius Search	Create a Custom Directory

4

Please Read and Select a Search Option From the Menu

-  **Provider Name Search**
Search for a specific physician by last name, practice name, or specialty.
-  **Facility & Ancillary Name Search**
Search for a hospital, medical facility, or ancillary provider by name or type.
-  **Provider Radius Search**
Choose a specific provider specialty or facility type and search for providers or facilities within a certain mile radius of your zip code.
-  **Create a Custom Directory**
Providers or facilities within a certain distance radius of your zip code, city or for all specialties.

Once logged in, our directory offers many features to meet your needs (i.e. Name Search, Radius Search, Custom Directories)

If you experience any difficulties utilizing our online directory, please contact our Customer Service Department at (316) 683-4111 Option 3.
